---

**INSTRUCTIONS:**

1. Attempt any five questions.
2. Each question carries TEN marks.
3. Suitable weightage would be given to relevant examples.

1. Critically evaluate the state of economic development in India and explain the need for "Inclusive Growth".
  2. Discuss the reasons for outsourcing ITeS to India. What are the strategic challenges faced by the ITeS ?
  3. Illustrate the Managerial and Strategic Challenges facing the Organised Retail in India and suggest suitable solutions for tackling the said challenges.
  4. Discuss the need for managing asset quality for Indian Banks. Illustrate the various measures initiated by the GOI/RBI in this regards.
  5. Discuss the role and functions of the IRDA. How far has the IRDA been successful in its mandate?
  6. Illustrate the modes of computing WPI and CPI in India. Which of these two is a more realistic indicator of inflation in the economy? Why?
  7. Critically evaluate the contribution of the PSUs to the Indian Economy and discuss the measures facilitating the PSUs competitiveness.
