

“Preparing for the new Normal”

This webinar was organised by Dr Surbhi Jain, H.O.D Pumba and Placement and corporate relations cell on 16th May 2020 to guide students for the new normal & to help them start their journey into the corporate world post-COVID-19.

The guest for this webinar was PUMBA’s own Alumni, Mr Vinayendra Jain (VJ), Director – Territory Channels, SMB at Microsoft India.

VJ guided the students to develop skills that are necessary to excel in their corporate journey. As the batch was about to start its internship, he crafted a 3 stage Internship Plan for the students. (“Pre-work” stage- “In internship”- “After internship completion” stage).

The session was very insightful followed by a great Q&A by VJ to address student’s problem(s) and queries.

PUMBA DEPARTMENT OF MANAGEMENT SCIENCES (PUMBA)

INVITES YOU TO AN EXCLUSIVE SESSION
